Quick Guide – Independent Study

An Independent Study Section is:

- Individual instruction
- One-on-one with a specific faculty member and student
- Not a formally structured class
- Time and location is usually arranged
Independent Study

1) Follow **ISIS2 - Searching the Course List** instructions to search for desired course.

2) Click **Enroll** for desired independent study section.

3) You will see the following display. Select the instructor who gave you special permission to add this section, and click **Continue**.

4) Select the appropriate semester hours from drop-down list and click **Add**.

*Please Note:* ISIS will allow you to register for the course; however, you may be dropped by the course administrator if you have not obtained the appropriate permission, or met all requirements.
You will receive the following message, indicating that you have registered for this course and that the course has been added to your schedule.
